

## Devonshire Hill Primary School

### Home Learning Passport

Reception

Autumn 1

2017/18

## Home Learning in The Early Years Foundation Stage

At the beginning of each half term, class teachers in Reception set the 'Home Learning Passport' activities which are linked to the seven areas of learning. You should choose to complete at least two of the activities but you can choose to do more.

These can be completed in your home learning book or, if they are a model or a project, they can be completed separately. These pieces of homework can be handed to the teacher any time before the date given inside the booklet.

Your homework is due to be completed and returned by:  
**Monday 16th October 2017**

Please remember you should try to complete at least **two** pieces of homework, one from each subject.

### Prime Areas

- Talk to your child about any trips, visits or holidays that you have been on and help them to learn new words to describe what they saw while they were there.
- If you have any photos you would like to send in of any holidays that you have been on we can add them to your child's special book and they can write about how they felt while they were there.
- Help your child to fasten and unfasten any buttons or zips on their clothing as they get dressed at home.

### Specific Areas

- Help your child to write about a holiday or visit that they have been on. You can encourage them to list all of the things that they saw and write about what their favourite part was.
- Let your child practise their number bonds to 10 and 20 and see if they can help you share out coins to help pay for items when you are out shopping.
- Make a model of a famous landmark from around the world or a popular holiday destination such as a beach. Try to use recycled materials and talk to your child about the importance of recycling as they make their model.
- Bring to school an item of special celebratory clothing that you may use at home so they can share these with their class how and when the clothing is used. They could also draw a picture and add labels to provide extra information about the clothing.

The Devonshire Hill Nursery and Primary School  
Homework Passport 2017/18

Don't forget to read your **Home/School Reading Books**,  
and to practise your **Letter and Number Formations**.  
You can also practise writing your name.
