Focus Figure: Vivian Westwood

Focus Text: The Emperor's New Clothes by H. C. Andersen

**Choose 2 or more to complete.**

1. Use recycled materials (bottle tops, newspaper, etc.) to make your own pieces of jewellery. Sketch out your designs before creating your jewellery.
2. Create your own fashion range by taking at least 2 items of old clothing and giving them a makeover.
3. Research and make a collection of Vivian Westwood's designs.
4. Research and design/draw your own modern-day national outfit for a chosen country.
5. Create a mind map about a musical genre, pop group or artist that interests you.

*Don't forget to read your Home/School Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.*

## English

Focus Text - Gangsta Granny  
by David Walliams.

**Choose 2 or more to complete:**

1. Write the instructions for how to make your own piece of jewellery.
2. Write a letter to the Victoria & Albert Museum asking for permission to visit their fashion show.
3. Create a story with the title: 'If hats could speak'.
4. Write about one of the adventures that Gangsta Granny might have had when she was the most wanted jewel thief in the world.
5. Design a page for a catalogue which shows the Crown Jewels for sale, similar to the one in Gangsta Granny, Chapter 26.
6. Imagine you were offered the opportunity to meet the Queen, write a list of questions that you would ask her.

## Maths

**Choose 2 or more to complete:**

1. Pyramids can be square-based and triangular-based in shape. Can you draw examples of each and label the number of edges, faces, corners? Can you find and list some everyday objects that look like those 3D shapes?
2. Create a board game for multiplication and division. You will need to draw and write instructions for the game.
3. Collect data about the food you eat over the period of 1 week. Create a pictogram and a bar graph to represent your findings.
4. Write the last five digits of your parents phone number. Make the largest number you can and the smallest. Now make some other numbers between the two and write your list out in order of size.
