Maths

Choose 1 or more to complete:

- Roll a dice five times to create a 5 digit number. Now round that number to the nearest 10, 100 and 1,000. Do this 10 times.
- Create 10 four digit numbers and multiply those by a two digit number using the grid method and the column method.
- Work out all of the squared and cubed numbers from 1-12. Do you notice any patterns? Explain your findings.
- Write your own real life division worded problems for a friend and work out the answers. Make them gradually harder to create a challenge.
