

## Collective Worship Policy

Date	Review Date	Endorsed by	Approved by	Link Governor
Dec 2016	Dec 2017	Curriculum and Community Committee	Governing Body	Penny Woolley

We at The Devonshire Hill Nursery and Primary School, are aware that we must by law provide religious education and daily collective worship for all our registered pupils but with the exception of those pupils who are withdrawn from these activities by their parents.

We believe collective worship to be a special act or occasion whose main purpose is to show reverence to God and involves pupils and teaching staff (and at times parents, governors and other visitors) coming together every day.

We will ensure that collective worship, which can take place at any time during the school day, will be wholly or mainly of a broadly Christian character reflecting the broad traditions of Christian belief without being connected to any particular Christian denomination.

We are aware that when we are planning collective worship we must by law take in to account the ages of the pupils, their aptitudes and their family and religious backgrounds.

We acknowledge that parents have the right to withdraw their child from collective worship and we will, therefore, agree to any such requests. Alternative supervised arrangements will be made for all pupils excused collective worship.

We believe that in our daily collective worship when all members of the school come together, we try to create an occasion which produces a variety of responses, one of which is worship. We understand worship to be a special act or occasion whose purpose is to show reverence to God.

However, we believe we must conduct our assemblies in a manner that is sensitive to the individual faith and beliefs of all members of the school. Therefore, throughout the academic year we will hold collective worship that reflects other world religions as we want all children to feel included whatever their beliefs or background.

We would like everyone to take an active part in our collective worship but we are aware that teachers have the right to withdraw from the religious element of collective worship. We acknowledge the right of parents to withdraw their children from collective worship.

We acknowledge that children's entitlement to acts of collective worship should not be affected by gender, culture, race or special needs. We will ensure that there are no barriers to this equality of opportunity.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

## **Organisation**

The Education Reform Act states that collective worship need no longer be at the start of the school day, and worship may take place in a single act of worship or separate acts of worship in different age groups.

We have decided to hold a daily act of worship in each key stage and at different times.

The beginning of any school day is always hectic and we are concerned that rushing pupils through registration and then into the hall for worship is devaluing the occasion and making the pupils unsettled. Therefore, our aim is to move our time of worship to before and after mid-morning break.

There will be occasions when worship, because of unforeseen circumstances, will take place in individual classrooms and be conducted by class teachers.

## **Length, Time and Pace**

We are aware that we have to fulfil a statutory amount of teacher-pupil contact time namely, 22½ hours for infants and 23½ hours for juniors. Collective worship is not included in this time. Therefore, our collective worship will be kept to 15 minutes with several minutes being allowed for the pupils coming in making a maximum of no more than 20 minutes.

## **Composition**

Music - taped/CD music should be played at the beginning and end of collect worship which, if possible, fits in with the theme for the week. The title of the music and the composer should be written on the magi-board above the piano.

Provider - the provider may be the Headteacher, Assistant Headteacher's, class teacher, pupils, vicar, or outside speaker.

Theme - the theme to follow will be that planned by the co-ordinator.

## **Activities**

In planning collective acts of worship, we must bear in mind the following activities:

- singing, readings and storytelling, rituals, drama, music for listening, responses, audio-visual presentation, interviews, symbols, prayer, dance, visiting speakers and cooking

## **Planning the Year**

When planning the year, the co-ordinator will think carefully about the inclusion of the following:

- High days and holidays
- Saint Days
- Feasting for Festivals
- World Faiths
- National
- World Events

Planning for the academic year will take place before the end of each half term and all staff will then be given a year plan of the proposed collective acts of worship.

### **Involvement of Local Religious Groups**

We believe that the involvement of local religious groups is vital to the development of our pupils. Therefore, speakers from local religious groups will be invited to speak to our pupils when we celebrate collective worship.

### **Involvement of Others**

We actively encourage the involvement of outside speakers such as the local Police, lollipop lady etc. who will be invited to take an active part in our collective worship on a set theme.

### **Involvement of Parents**

Parents will be invited to attend their child's class assemblies which take place once every academic year.

### **Achievements Assembly**

At The Devonshire Hill Nursery and Primary School, we hold three assemblies each week when the whole school meets to share together the successes and achievements of individual pupils either in or out of school. Also, house points are awarded and birthdays celebrated.

  - All aspects of this policy
  - Equal opportunities
  - Inclusion
- Receive periodic training so that they are kept up to date with new information

- Receive equal opportunities training on induction in order to improve their understanding of the Equality Act 2010 and its implications.

### **Equality Impact Assessment**

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

### **Monitoring the Effectiveness of the Policy**

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the link governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Governing Body for further discussion and endorsement.
