

Catch up with the latest news from Autumn 2. Also with the winter festivities fast approaching we have plenty of dates and exciting events for your diary.

Love Your Lunch

Thank you to those parents and carers who joined our lunchtime experience. We hope that you took this opportunity to leave us some valued feedback.

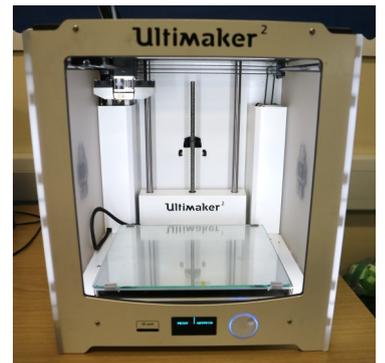

Don't forget there is still time to enter our Healthy Competition by sending us a selfie with your favourite homemade meal.

3D Printer

A very exciting piece of technology has arrived at the school this term, a 3D printer! This new piece of equipment has been introduced to our new flexible learning space which is designed to emphasise STEAM subjects (science, technology, engineering, art & design and maths). Some of our Year 5 pupils were fortunate enough to be among the first selected to help out with a test run.

Careers Week

Careers week was full of exciting first hand experiences of the working world. Opportunities included visits to the Fire Station, Kidzania and Wahaca, along with talks from the PDSA. Ahmet in Year 6 describes their visit the Itau Bank, Dragons Den style. 'We presented our inventions to the judges at Itau Bank. It was both scary and fun. We had to go all the way up to the 24th floor!'

Year 5 Fashion Show.

Tottenham University Programme

This month selected pupils were able to visit to the Houses of Parliament as part of the Tottenham University Programme. The children experienced talks, displays and videos which taught them about the history, architecture and traditions of the Houses of Parliament.

Black History Week

What a fantastic finale to Black History Week...the surprise treat of steel pan melodies throughout the school. The whole school was clapping along, a true sign of enjoyment!

Here is some of the incredible artwork we created throughout the week!

Staff Attendance Prize

Congratulations to Mr Hyde, our IT Technician. His name was drawn in the Staff Attendance Draw for the academic Year 2016-2017. Mr Hyde won a voucher to the value of £150 which he plans to generously donate to a small Island in the Caribbean in their time of need.

"I'll be using the vouchers to buy basic amenities to send over to Dominica, as the hurricane has destroyed crops and contaminated the water. The people there are in need of everything."

Chicken Feed

Thankyou to everyone who has shown concern for Priscilla. After spending some time away from her coop for recovery we have decided that she found much better friendship with Ms Panayi's chickens and so will therefore now be moving home. Ms Panayi will keep us updated on Priscilla's progress but she is currently enjoying her new home, thankyou Ms Panayi!

Seasons Greetings

From Monday 4th December we will be opening our internal mail service for everyone to send their festive wishes across the school. On your way past simply post your seasonal cards inside of the bright red and sparkly post boxes and our very own Devonshire Hill Elves will deliver them for you!

Don't forget to put the name and class of the recipient onto the envelope.

Christmas Craft Competition

Parent/Carers are invited to attend our annual Decorating Competition. Come along for the afternoon and help the children turn their classrooms into a festive wonderland.

We are now accepting donations to help give this year added sparkle. Please bring any unwanted ribbon, tinsel, wrapping papers, glitters, sweet wrappers etc to the school office.

**Friday 1st
December
2pm - 3:15pm**

Winners announced Fri 15th Dec

Festive Jumper Fundraiser

Once again the school is supporting the Children's Christmas Jumper day. Children can wear a festive jumper to school or their normal school jumper. No Costumes Please. Don't forget to make your donation of £1.
