

We would like to take this opportunity to offer you warm wishes for the winter holiday and a Happy New Year for 2016.

Here are the highlights of this academic year so far. Please take note of the dates listed overleaf.

We look forward to seeing you in 2016!

Work Week

During the first week of November our pupils took part in Work Week. They were able to participate in a number of trips and workshops to explore what happens in different working environments, from the Fire Station, to the Bakery. Year 6 took part in Dragons' Den where they were able to design their own inventions to present to a panel of business people.

Pendarren

This term our Year 6 pupils visited the Pendarren Outdoor Educational Centre. Our pupils took part in various exciting outdoor activities such as Horse Riding, Canoeing, Rock Climbing, Abseiling and Caving. Their trip away from home lasted for the whole school week!

Tottenham MP

On 6th November, David Lammy visited the pupils, staff and governors at our school. He attended breakfast club, celebration assembly and was taken on a tour by our Year 6 House Captains.

David Lammy visits Year 2 Sapphire Class while they are practicing maths.

Year 6 next to the Shrinking Rock at Pendarren.

Winning House

The winning House this term was...Tull, hooray!
The reward was a trip to the Bernie Grant Centre to see the Cinderella

Ilham and Aziz, the proud House Captains with the House Trophy.

Well done Tull, Mrs Simmons and your House Captains are extremely proud of you! This was our first time to win the house trip.

Let's carry on with our hard work.
Once again well done.

Ilham & Aziz - Tull House Captains

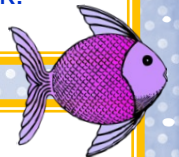

Top Attendance

A huge well done to the 86 children who received 100% attendance awards this autumn term. Also to the 32 children who received awards for the most improved attendance, an excellent achievement!

Congratulations to Aquamarine, Coral and Diamond class for their incredible attendance this term. All three classes won a trip to see Joseph and the Technicoloured Dream Coat at Northumberland Park School.

Well done, keep up the hard work!

School Website

The school website is being regularly updated with important information, upcoming events and school activities. You can also find copies of letters to parents, our exciting new school menu and a learning zone with access to games and educational resources.
