

No Smoking Policy

Date	Review Date	Endorsed by	Approved by	Link Governor
Dec 2016	Dec 2017	Resources Committee	Governing Body	Steven Lock

We at The Devonshire Hill Nursery and Primary School are aware that it is illegal under the Health Act 2006 (and regulations made under the Act) to expose a person in an enclosed workplace to second-hand smoke. Therefore, smoking is prohibited in any part of the school building, school grounds, school playing fields, on educational visits, school events and school letting events.

We believe it is our duty to discourage school personnel and pupils from smoking by highlighting the damaging effects it has on a person's health. We will provide support and advice to all smokers but we hope all school personnel will act as role models.

We will ensure that the school environment becomes smoke free and anyone found breaching this policy will face disciplinary action.

We wish to work closely with the House Captains and House Representatives to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that are connected with this policy.
