### **Jewellery**

On health and safety grounds, we do not allow children to wear jewellery in our school. If a child has his/her ear(s) pierced they should wear ear stud earrings only to school. On PE days the children should NOT wear earrings to school as this could be a Health & Safety concern.

### **Watches**

Inexpensive watches may be worn from Year 2. However, if a watch is designed for games or making disruptive noises it should not be worn for school.

## **Hair and make-up**

The school does not permit children to have extreme haircuts or colouring that could serve as a distraction to other children. Hair bands, clips etc should be discreet designs in colours compatible with school colours and only used in order to keep hair in place. Long hair should be tied back for practical subjects, including P.E. Some hair ornaments may need to be removed for P.E. on the grounds of health and safety.

No make-up or nail varnish may be worn during the school day. Similarly, temporary transfers or fake 'tattoos' are not appropriate for school.

## **Footwear**

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes with platform soles or high heels in school, so we do not allow this.

We require all children to wear the types of shoe described in the uniform list, described as Black School Shoes

We do not allow children to wear trainers to school; these are appropriate for sport or as leisurewear, but are not in keeping with the smart appearance of a school uniform (including travel to and from school).

Shoes which incorporate flashing lights or similar distracting gimmicks in their design are not appropriate for school wear.

Winter boots/ wellington boots may be worn to and from school during bad weather but shoes must be brought to school and worn during the school day.

Children are not allowed to wear sandals or open- toed shoes to school.

Children should bring to school a change of Footwear for lunchtimes (Years 4-6) as they will be able to access activities on the field. We recommend OLD TRAINERS as the field can be very muddy at times. Children without a change of footwear will be unable to go onto the field at Lunchtimes.

## **Seasonal safety**

All children are required to wear a coat to school that is waterproof and has a hood. During the winter this needs to be a warm coat and during the summer months this can be made of a lighter fabric. It is advisable that the coat is of a darker colour and is appropriate for the child to engage in active play/lunchtimes.

Children can wear additional warm hats and gloves. They can wear scarves to and from school but will not be allowed to wear them at playtimes and lunchtimes as they can potentially be a Health & Safety Risk.

Umbrellas are only allowed to be used to and from school.

On sunny days' children should be protected from the sun when outdoors by:

Wearing a hat or cap

Wearing an appropriate SPF sun-screen that has been applied at home

Wearing sunglasses with a CE mark which conform to British Standard BS EN 18361977 and are of a design/colour compatible with school colours.

## **Lost Property**

Parents/Carers are advised to write or sew their child's name into all items of school uniform

Children are responsible for looking after their own uniform and the school does not accept any liability for loss or theft

Any items of uniform found within the school are deposited in baskets which children and parents can look through at the end of the school day.
