

Don't forget to read your Home/School Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.

## Maths

1. There are three dice, each of them with faces labelled from 1 to 6.  
When the dice are rolled they can be combined in six different ways to make a number less than 10 with two decimal places.
2. For example, if I roll a 2, a 3 and a 6, I can combine them to make 2.36, 2.63, 3.26, 3.62, 6.23 or 6.32.
3. Now round each of these numbers to the nearest whole number:  
2.36 rounds to 2, 2.63 rounds to 3, 3.26 rounds to 3, 3.62 rounds to 4, 6.23 rounds to 6 and 6.32 rounds to 6.
4. Repeat for other rolls of the dice.
5. Can each of the six numbers round to the same whole number?  
Can each of the six numbers round to a different whole number?

## Topic: History AD 900 Focus Figure – Leif Erikson

1. Create your own Mayan mask.
2. Create your own History book by writing about the Mayan civilization of AD 900.
3. Create a Fact File about the Viking explorer Leif Erikson.

## English

### Focus Text: Skellig by David Almond

Choose 1 or more to complete:

1. Michael is very unhappy at the beginning of the novel. Write about how Michael's life changes after he discovers Skellig and meets Mina. Think about ways that you deal with fear and loneliness. How can you help a friend who appears unhappy?
2. Write what you know about evolution: what do you think it means and how it might be important in this story?
3. Continue to practise your spellings and grammar by visiting:
