We at The Devonshire Hill Nursery and Primary School have in place the new style instrument of government which records the name of the school and the constitution of the governing body which has been submitted to the Local Authority. The instrument of government complies with all statutory and legal requirements.

The instrument of government sets out:

- The date when the instrument takes place;
- The name and type of the school;
- The name of the governing body;
- The total membership of the governing body;
- The number of governors in each category;
- The length of each governor’s term of office

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

This policy is to be read in conjunction with the following document:

- The Constitution of governing bodies of maintained schools (DfE) – Guidance A

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

**Monitoring the Effectiveness of the Policy**

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the link governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Governing Body for further discussion and endorsement.
