Dear Parent/Carer,

After School Childcare Provision - Consultation

The school is considering operating an after school childcare provision. At this initial stage of consultation, the school is simply trying to establish the need of the school community and if current alternatives sufficiently meet the needs of our families.

This would be an extended school service that would require payment. If the school operated an after school club, it is likely to be run from the end of the school day until 6:00pm, with the provision of a snack and activities.

The Governing Body would be grateful if you could complete the short survey below and return it by Monday 12th December to help the school establish the demand for an after school childcare provision.

Yours sincerely,

Gary Wong
School Business Manager
