As part of our school's Chinese Language and Culture programme, the school will be running four Chinese culture clubs; these will all be starting next week. Martial Arts club is full, but there are some spaces for the other three clubs. Please see below more information about two of these clubs:

Tai Chi is a form of martial art. It is also a gentle form of exercise which is often used to help people feel healthier, happier and generally more relaxed. Although gentle, pupils will still feel as if they have done exercise as it requires strength.

Chinese Dance club will introduce the students to the many different styles of Chinese dancing. The exciting range of music and dance moves, from elegant to energetic, will keep pupils captivated

If you are interested in applying for any of these clubs, please complete an application form available from the School Office.

Yours sincerely,

Anoria Simmons
