Re: Work Week – Stoke Newington Fire Station

Dear Parents/Carers

As part of our work around developing children's aspirations we will be hosting **Work Week** from **Monday 31st October** until **Friday 4th November**. A number of trips and visitors have been planned across the week to expose our children to a wide range of different jobs in many different fields.

As part of this learning your Opal class will be visiting **Stoke Newington Fire Station** on **Monday 31st October**.

We hope that you agree that this a great opportunity for your child to learn about the world of work.

If you would like to come in to talk to the children in your child's class about your job we would be more than happy to arrange a time for this to happen across work week. Please speak to your child's class teacher in the first instance.

As always, if your child is entitled to a free school meal then they will be provided with a school packed lunch. You are more than welcome to provide your child with a packed lunch from home if you wish to do so.

Thank you for your ongoing support and commitment to your child's education.

Yours Sincerely

Rachel Bates
Assistant Head Inclusion
