THANK YOU! 😊

A GREAT BIG thank you to each and every pupil that helped raise a fantastic £108.50 for Save the Children. Because of you we can help children all over the world who need our help.

Here are some examples of how the money you've raised could help children who might need food because they're hungry, healthcare if they're ill or education to help them fulfil their potential:

- **£5** could buy a football to help children forget the harsh realities of living in the midst of conflict, disaster or extreme poverty, even if it's just for 90 minutes. It can give them back a sense of normality.

- **£6** could buy seeds that will help children in struggling families grow up healthy rather than hungry. Plus any surplus crops can be sold at the market, helping the family to grow an independent future.

- **£10** could buy warm clothes to help children who live through freezing winters in places like Mongolia, where temperatures can drop below -40°C.

A MASSIVE thank you **to all of you** for your brilliant support.

We're VERY lucky to have fundraisers like you!
