Year 4 ZSL London Zoo Project

Dear Parent/Carer

From this Friday 19th May 2017 Year 4 will be taking part in a project with ZSL London Zoo. They will be conducting a Skype interview with a scientist before he visits Greenland to research deep-sea biodiversity and study the effects of different fishing methods on marine conservation. Throughout his research project he will be sending Garnet and Crystal Classes Powerpoint updates about his time at sea.

Yours sincerely
