Parent/Carer

Dear Parent/Carer

Child Health and Safety

The school has a duty to ensure the safe handover of the children to the parents as a priority at the end of the school day. To enable this to happen effectively the school staggers the release of children and aims to dismiss Reception children at 3:05 and Years 1 & 2 at 3:15.

Parents are requested to be on time to pick up their child and to wait patiently for their child to be handed over to them - please avoid calling and beckoning your child.

If a parent/carer wishes to speak to the classteacher, please go into the school reception to make an appointment to do so. For safety reasons, staff are not allowed to meet with parents during the dismissing of the children at the end of the school day.

Please be mindful that staff are here to support and educate the children. They will not tolerate abusive language or aggressive behaviour by any adults, which sadly has been the case recently.

We are one community and we must work together to ensure our children are safe.

Your support with this is essential to the smooth and safe end of the school day.

Yours sincerely

Julie D'Abreu
Headteacher
