

Devonshire Hill Primary School Homework Passport

Year 3

Summer 1

2017/18

Home Learning Passport

Home Learning Passports are given at the start of each new term. This passport contains a selection of activities for you to complete at home. These activities support **English** and **Topic** learning from the curriculum covered during the current term.

You should complete:

- At least **three** activities for **English**
- At least **three** activities for **Topic**
- All written work must be completed neatly in your **Yellow 'Home Writing Book'**
- Models and other creative pieces of work are to be completed and presented separately

This work must be handed to your class teacher any time before or on the date given in this passport.

Home Learning for **Mathematics** and **Spelling** will be given every **Friday**, and will reflect the learning objectives from current lessons. This work should be completed neatly in your **Blue 'Home Maths Book'** and returned for marking by Wednesday of the following week. Spelling words will be tested the following Friday.

Topic: 'Material World'

Focus Figure: Arnold Lynch

Focus Text: 'One Plastic Bag' by Miranda Paul

Choose 3 or more to complete:

1. Explain why you think the country Kenya has banned all plastic bags.
2. Invent something that uses a magnetic force.
3. Choose several items in your home. Explain why they are made from the material that they are made from.
4. Create a sculpture using recycled materials.
5. Design a new accessory that can be used by a cyclist. Make sure it is labelled and made from suitable materials.

*Your home learning is due to be completed and returned by: **Friday 18th May***

Please remember you should try to complete at least three pieces of homework, from each subject.

English

Focus Text: 'Gregory Cool' - by Caroline Binch.

These activities must be completed in your yellow 'Home Writing Book'. This book is checked by your teacher every Wednesday.

Choose 3 or more to complete:

1. Write an acrostic poem about 'Electricity'.
2. Choose a type of material e.g. cotton, rubber, or cork. Research where in the world it comes from and how it is used.
3. Research how glass is made and produce a fact sheet full of your information.
4. Write a story about making a new friend based on the book *Gregory Cool*.
5. Research the Caribbean Island of Trinidad and Tobago. Be creative in presenting your findings.

Don't forget to read your Home/School Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.
