## Home Learning Passport

**Home Learning Passports** are given at the start of each new term. This passport contains a selection of activities for you to complete at home. These activities support **English** and **Topic** learning from the curriculum covered during the current term.

**You should complete:**

- At least **three activities for English**
- At least **three activities for Topic**
- All written work must be completed neatly in your **Yellow 'Home Writing Book'**
- Models and other creative pieces of work are to be completed and presented separately

*This work must be handed to your class teacher any time before or on the date given in this passport.*

Home Learning for **Mathematics** and **Spelling** will be given every **Friday**, and will reflect the learning objectives from current lessons. This work should be completed neatly in your **Blue 'Home Maths Book'** and returned for marking by Wednesday of the following week. Spelling words will be tested the following Friday.

### English

**Focus Text:** 'There's a Boy in the Girls' Bathroom' by Louis Sachar

These activities must be completed in your yellow 'Home Writing Book'. This book is checked by your teacher every Wednesday.

**Choose 3 or more to complete:**

1. Create a new book blurb for the text '*Under the Moon and Over the Sea*' that you feel would entice children to want to read the book.
2. Keep a diary for a week and give it the title 'A week in the life of (insert name)'.
3. Should pupils at Devonshire Hill be allowed to bring mobile phones to school? Write down all of the arguments for and against.
4. If you were the headteacher for a day and could change one thing about the school, what would you change and why? How would this change benefit others?

*Don't forget to read your Home/School Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.*

*Your home learning is due to be completed and returned by: **Friday 18th May***

*Please remember you should try to complete at least three pieces of homework, from each subject.*

### Topic: 'Making New Materials'

**Focus Figure:** Charles Goodyear

**Focus Text:** '*What's The World Made Of?*' by Kathleen Weidner Zoehfeld

**Choose 3 or more to complete:**

1. Choose two materials and explain how they change when they are combined.
2. Research and write a biography of a famous scientist.
3. Create your own 3D model of an object of your choice using newspaper. Explain how you constructed your model?
4. Design your own experiment for changing the state of a material and make a prediction about what you think will happen?
5. Write an article for a science journal about an experiment you can use for changing the state of a material.
