Hooray for Lynch House

Lynch House was the winning house for Spring Term. Well done to all pupils who contributed by collecting house points through out the Spring Term. We are busy making arrangements for all Lynch House pupils from Year 1- 6, who will be invited to join a session on the bouncy obstacle course as your reward for setting such an outstanding example to all of your peers! Stay up to date with the weekly house winners by visiting the school website– points are shown on the home page!

100% Attendance– Spring 2018

What an excellent outcome we had for our Spring term attendance award! This term we decided to run a special Attendance Ceremony to which all pupils and parents/carers with 100% attendance were invited! Congratulations, it was wonderful to see all of those successful faces collected together. Now let's see who will be receiving their award for the Summer term celebrations. Keep up the hard work everyone!

Great Fire of London - Year 1

Year 1 had a very busy lesson during Spring 2 Term learning all about the Great Fire of London. Their art related project involved creating their very own Pudding Lane buildings. As part of their Fantastic Finale the children were able to watch the model buildings being burned as a demonstration of how fast fire can spread, as well as learning all about the Great Fire of London and how it happened. This was a perfect opportunity to talk about fire safety. Well done Year 1, we got plenty of photographs of the occasion so if you want to look back to how your model looked before the fire you can visit the school website under the News Archive section!

Year 1 make their very own Pudding Lane.
