Science Museum Event

Dear Parent/Carer

We have arranged for The Science Museum's outreach team to visit Devonshire Hill and deliver a range of dynamic shows and workshops.

The children will have the opportunity to take part in the following shows/workshops:

- **Not So Sleepy Hedgehog (KS1)** - This interactive storytelling takes children on an exciting journey of discovery about light and shadows.
- **Glorious Blood (KS2)** - Follow the journey of blood through the human body, discovering what it does, what's in it, where it goes, and what happens when you start to lose it.
- **Get A Grip (KS2)** - Find out about opposing forces, take part in a tug-of-war, and build your very own anti-friction hovercraft in this interactive workshop.

Please visit the Science Museum website at <https://www.sciencemuseum.org.uk/learning/outreach-we-visit-you> for more information.

Please note the following:

- We are asking for a £2 contribution towards the cost of the event.

Yours sincerely

Anoria Simmons
Assistant Headteacher – Teaching & Learning
