As the end of the Summer term fast approaches we reflect on the highlights and successes so far. The end of the Academic Year is drawing close, what a very busy few weeks we have ahead of us!

STEAMing Ahead

This term the whole school took part in a very exciting week of STEAM. Everyone had a very enjoyable time problem solving and creating projects which incorporate Science, Technology, Engineering, Art and Maths skills. Head of School Standards and Performance for Haringey Council, Jane Blakey says 'Devonshire Hill is providing its pupils with not only a rich and stimulating curriculum, but one which is encouraging pupils to make direct links to their future pathways and careers and from a very early age. It was a pleasure to see it in action.'

STEAM week activities

Well done to everyone who took part and a special thankyou to the lead teachers Ms Davis-Moore, Mr Slav and Ms Walters for their hard work in organising the events which took place across the week! We even had a visit from a Sanbot, (intelligent robot)!

There are plenty of pictures and videos showing the pupils deeply engaged in the week's activities, scan the QR code to see (above right).

Time Explorers Award

Perhaps you remember those very exciting Berocca canons which our Year 4 pupils made earlier on in the term. These small but mighty canons have gone on to win the school an award! The Tower of London's 'Time Explorers Award' was presented to Year 4 for having successfully completed the most impressive Tower of London related STEAM project. Congratulations Year 4! Yet another story of STEAM success!

School Choir

Congratulations to the school choir for their outstanding performance at the Royal Albert Hall on Monday 4th June. What a powerful performance from the incredible young voices of Haringey. Those who took part should be very proud of their involvement of this very important event! Well done you were all so very brave and you all sang so beautifully!

Year 6 Production

The year 6 pupils have been working hard preparing for their end of year performance 'Annie'.

Monday 16th July 6pm-8pm

Tickets go on sale at the main office from 3pm on Friday 6th July and are **£4 each**. There are limited tickets so get yours quickly to avoid disappointment!

Headteacher's Award

Well done to all pupils who have now achieved their Gold Star award. Don't forget if you are planning on submitting a project for the Headteacher's Award all entries must be brought into school by:

Friday 6th July

After this date all projects will be seen by our specially selected Judging Panel to give feedback before the ceremony. We can not wait to see your wonderful projects!

Well done to all Year 2 and Year 6 pupils for all of your hard work and focus during your SATs weeks!

Please note that all holidays must be booked between:

20th July -10th September

Royal Wedding Celebrations

What a wonderful afternoon we had celebrating the Royal Wedding as part of our British Values Curriculum.

Whether you came to school dressed as a bride, a groom or a guest we would like to thank you for your efforts.

Everyone really looked 'the part' and your cakes looked delicious!

A huge congratulations to Ms O'Malley for organising this successful afternoon of royal cake decorating and celebration in order to mark this very exciting and important event. You can see more pictures of this event by scanning the QR (code on the right).

What's Growing On?

The pupils have been hard at work caring for our small garden area, they have successfully grown a variety of plants including sunflowers, runner beans, tomatoes and peas. Our potatoes have been harvested early and weighed and our measurements have been submitted to the Grow Your Own Potatoes project. A huge thankyou is due to all pupils who have been actively involved in visiting the garden and helping out with its success.

Green fingers caring for the plants

Minibeasts Visit

Reception had some very special visitors this term. Some of them had 100 legs and some didn't have any, some with 12 eyes and some with only 2 eyes, some had hairy skin some with smooth or slimy skin. Can you guess who they were?

Big Green Book Shop School Reward Scheme

Why not pay a visit to the Big Green Book Shop to pick up your next exciting read. No matter how much you spend this very generous independent book shop will support our school by donating 10% of what you spend to us so that we can purchase our own books. Next time you visit remember to nominate Devonshire Hill Primary School.
