

# Devonshire Hill Primary School

## Homework Passport

Reception

**Autumn 1**

2018/19

The Devonshire Hill Nursery and Primary School  
★★★☆☆

**Successful Learners**

### Specific Areas

- Help your child to write about a holiday or visit that they have been on. You can encourage them to list all of the things that they saw and write about what their favourite part was.
- Let your child practise their number bonds to 10 and 20 and see if they can help you share out coins to help pay for items when you are out shopping.
- Make a model of a famous landmark from around the world or a popular holiday destination such as a beach. Try to use recycled materials and talk to your child about the importance of recycling as they make their model.
- Bring to school an item of special celebratory clothing that you may use at home so they can share these with their class how and when the clothing is used. They could also draw a picture and add labels to provide extra information about the clothing.

*Don't forget to read your Home/School Reading Books, practice your Weekly Spelling Words in time for your test and learn your Times Tables.*

### Home Learning in The Early Years Foundation Stage

At the beginning of each half term, 'Home Learning Passport' activities are set. These activities are linked to the seven areas of learning. You should choose to complete at least two of the activities but you can choose to do more. The teacher will also supply additional resources to support activities in this passport.

In addition children will be loaned Home Reading Books under the direction of the class teacher. Please encourage and support your child to read their Home Reading Books completing their Home Reading Record after each reading session.

*Your home learning is due to be completed and returned by: **Monday 15th October***

*Please remember you should try to complete at least three pieces of homework, from each subject.*

### Prime Areas

- Talk to your child about any trips, visits or holidays that you have been on and help them to learn new words to describe what they saw while they were there.
- If you have any photos you would like to send in of any holidays that you have been on we can add them to your child's special book and they can write about how they felt while they were there.
- Help your child to fasten and unfasten any buttons or zips on their clothing as they get dressed at home.
