About The Devonshire Hill Nursery and Primary School

We are a Haringey Council Community School, with children aged from 2 to 11, situated in Tottenham. The majority of our families live locally to the school, many in the White Hart Lane Ward. Our school is two form entry from Reception to Year 6. We have a nursery that offers part time places of 15 hours spread equally over the week of either morning or afternoon sessions for children age 2, 3 and 4. We also offer 30 hours spread equally over the week which includes the children's care across lunchtimes.

Devonshire Hill is a successful school, attaining Ofsted Good in October 2016. We were commended by the Rt Hon Nick Gibbs for having progress from KS1 – KS2 in the top 2% of schools nationally in 2016/17 and were invited to join the Schools for Success programme by the Mayor of London.

The staff and Governors at our school are committed to providing the very best learning opportunities for your child in a safe, secure and friendly community environment. We provide very high quality education with a strong focus on teaching children key skills in English and maths. Alongside this we teach an exciting themed curriculum, including many learning experiences outside of the classroom through a range of school trips and by inviting experts into school.

During your child's time in our school, alongside the full statutory curriculum they will have the opportunity to learn to speak Mandarin, learn to play an instrument, learn to swim and to visit many places of interest including a residential to Pendarren House in Wales (Year 6).

We have a strong focus on using technology as a learning tool and the children have access to a range of technology including the use of netbooks and tablets.

We have our newly established 'STEAM Engine' which is a dedicated classroom for Science, Technology, Engineering, Maths and Art & Design work. This resource is equipped with the highest technologies to enable children to experience exciting practical learning. Our newest curriculum developments are teaching woodworking and establishing our very own Forest School.

The school offers a range of extra-curricular activities before school, during lunchtimes and after school.

We work in partnership with Tottenham University, IntoUniversity and the Brilliant Club. This offers our children the opportunity to visit high achieving universities and to undertake assignments and projects at a high academic level.

The school works with a range of organisations to promote careers and every year we have a work/careers week whereby every child has an opportunity to experience a range of different work places such as banks in the city, being a 'Chef' for the day and what it would be like to be a Fire Fighter!

We have the highest expectations of all our children and we expect them to aim high and to achieve their full potential academically and with their personal social development both in and out of school. We have a strong belief in good behaviour and good manners with an emphasis on caring for each other and taking on responsibility, which is one of our eight school House Characteristics. All staff and children from Year 1 to Year 6 are placed into one of our four 'Houses' and will be in friendly competition each week to score individual and team House points!

We want all our children to go onto secondary school ready to further develop their lifelong love of learning, with a solid foundation in the core skills enabling them to build upon these skills, and to become confident, successful and responsible citizens for the future.

If you would like to find out more, I would be delighted to show you around.

MONITORING

This Authority has an Equal Opportunity in Employment Policy, which we ensure that we monitor to ensure that our employees reflect the community that we serve. The information provided will be treated in strictest confidence, is never available to the recruiting manager and will only be used for monitoring purposes.

Equality Statement

We at The Devonshire Hill Nursery and Primary School understand that the Equality Act 2010 combines and builds upon the existing legislation covering discrimination and promotion of equality of opportunity.

We recognise that this Act brings together into one Act those areas now known as 'protected characteristics' that qualify for protection from discrimination such as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

We believe that everyone has the right to be treated with dignity and respect. We are opposed to any direct or indirect discrimination against individuals or groups whatever their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We have high expectations of all pupils from across the ability range by aiming to provide them with every opportunity to succeed by providing the highest standards of teaching and learning within a curriculum that is broad, balanced, differentiated, relevant and exciting. We will monitor the progress of all pupils in order for them to achieve their expected targets.

We are opposed to any member of the school personnel or others connected with the school being victimised, harassed or bullied by another based on assumptions about their status in the afore mentioned categories or on any other grounds. Also, we will not discriminate against anyone because of their political affiliation.

In order to achieve the aims of this policy we will take measures of positive action to encourage or facilitate the employment or training of minority or disadvantaged groups as we recognise that the avoidance of discrimination is not sufficient in ensuring that equality exists in this school.

We work hard to maintain a positive ethos where all members of the school community work well alongside each other developing positive working relationships.

We want pupils to come to school to enjoy the meaningful experiences that we offer and where they feel valued and special. We want them to have a sense of pride in themselves and their school.

We want school personnel to see the importance and derive a sense of fulfilment from their work in school but above all we want them to feel valued by everyone in the school community.

We wish to work closely with the House Captains and House Representatives to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
