

Devonshire Hill Primary School

Homework Passport

Year 5

Summer 1

2018/19

Home Learning Passport

Home Learning Passports are given at the start of each new term. This passport contains a selection of activities for you to complete at home. These activities support English and Topic learning from the curriculum covered during the current term.

You should complete:

- At least three activities for English
- At least three activities for Topic
- All written work must be completed neatly in your Yellow 'Home Writing Book'
- Models and other creative pieces of work are to be completed and presented separately

This work must be handed to your class teacher any time before or on the date given in this passport.

Home Learning for Mathematics and Spelling will be given every Friday, and will reflect the learning objectives from current lessons. This work should be completed neatly in your Blue 'Home Maths Book' and returned for marking by Wednesday of the following week. Spelling words will be tested the following Friday.

English

Focus Text: 'There's a Boy in the Girls Bathroom' by Louis Sachar

These activities must be completed in your yellow 'Home Writing Book'. This book is checked by your teacher every Wednesday. **Choose 3 or more to complete:**

- Create a new book blurb for the text 'Under the Moon and Over the Sea' that you feel would entice children to want to read the book.
- Keep a diary for a week and give it the title 'A week in the life of (insert name)'.
- Should pupils at Devonshire Hill be allowed to bring mobile phones to school? Write down all of the arguments for and against.
- If you were the headteacher for a day and could change one thing about the school, what would you change and why? How would this change benefit others?
- Continue to practise your spellings and grammar by visiting:
<https://www.bbc.com/bitesize/subjects/zv48q6f>

*Your home learning is due to be completed and returned by: **Monday 20th May***

Please remember you should try to complete at least three pieces of homework, from each subject.

Topic: 'Making New Materials'

Focus Figure: Charles Goodyear

Focus Text: 'What's The World Made Of?' by Kathleen Weidner Zoehfeld

Choose 3 or more to complete:

- Choose two materials and explain how they change when they are combined.
- Research and write a biography of a famous scientist.
- Create your own 3D model of an object of your choice using newspaper. Explain how you constructed your model?
- Design your own experiment for changing the state of a material and make a prediction about what you think will happen?
- Write an article for a science journal about an experiment you can use for changing the state of a material.

Don't forget to read your **Home/School Reading Books**, practice your **Weekly Spelling Words** in time for your test and practise your **Times Tables** using **T T Rockstars**.
