FREE SCHOOL MEALS for RECEPTION to YEAR 2

Dear Parent/Carer,

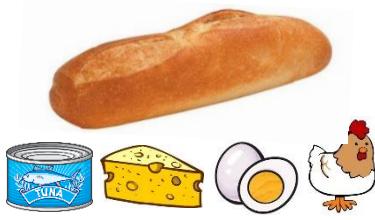

The Government's Universal Infant Free School Meals (UIFSM) policy means that **all children** from Reception to Year 2 are entitled to receive **free school meals**.

We want all children to take advantage of the entitlement and have a hot, nutritious and balanced meal every school day. This is based on research that shows that eating well helps with concentration, behaviour, development and learning.

By taking up your child's entitlement to a free meal, you will also **save hundreds of pounds per year**. This is money that could be spent on books and other resources to support your child's education.

We want to reassure parents that the variety and quality of the food provided will meet their child's needs. In addition to the advertised menu, the school is already offering a selection of baguettes to Reception and KS1 children (egg, cheese, tuna and chicken), has a daily salad bar and a range of dessert options.

We invite parents to visit at lunchtime to see (and have a taste of) what the school offers. We are confident that you will be satisfied there is always something that you child will enjoy, which will give them good nutrition and fuel for learning.

After October half-term, we would like all Reception, Year 1 and Year 2 children to have school meals.

If you would like to visit the school at lunchtime, please contact the school office to arrange a date. If you have any questions or concerns about the school's lunch provision, please ask at the office to discuss with the School Business Manager.

Yours sincerely,

Julie D'Abreu
