## Thrive LDN Storytelling Performance

Dear Parents/Carers,

As part of our World Book day celebrations on Thursday 5th March 2020, the children in Reception and KS1 will be participating in an immersive story telling performance live streamed by Thrive LDN. Thive LDN will be live streaming to all primary schools in London an immersive story telling performance of the children's book Ruby's Worry.

***Ruby loves being Ruby. Until, one day, she finds a worry. At first it's not such a big worry, and that's all right, but then it starts to grow. It gets bigger and bigger every day and it makes Ruby sad. How can Ruby get rid of it and feel like herself again?***

The sessions are designed to encourage early conversations about mental health and to build a resilience from a young age.

The story telling performance will run for approximately 20 minutes with an additional 25 minutes for craft and drawing activities to aid discussion.

The live stream will be available from the following website on Thursday 5th March at 2pm.

It would be good if you listen to the story and encourage your child to share their thoughts and feelings about the story.

Yours sincerely,

Tina Georgiades  
Assistant Headteacher
