Wednesday 3rd June 2020

Dear Parents/Carers

Hope you and your families are keeping well.

I write to update you on our plans to gradually reopen our school.

Children of Key/Critical workers

We have had a number of requests from parents who are Key/Critical workers for their children to come back to school before June 15th. We are now in a position to offer places to the children of Key/Critical workers. Please note that we have a limited number of staff available to run this 'Bubble' and the following will be in place.

- Parents/Carers and children will need to agree and adhere to the COVID-19 Home/ School Agreement.
- Children will need to bring a healthy packed lunch from home daily.
- Children will need a bottle of water each day.
- Children are not to bring any other items to school.
- Children must wear school uniform - but are not required to wear school shoes as they will be spending lots of time outside, so wearing suitable trainers is best.
- We request that children wear freshly washed school uniform each day.
- Your child will need a sun hat and we recommend that they have sun protection cream applied before they come into school.

We will be able to provide breakfast for the children at 7:45am if required. Please let us know upon application if you require a place. Children not having breakfast will start at 8:45am each day.

The day will end at 3:15pm and you are required to pick your child up promptly.

Please note that the **SCHOOL WILL BE CLOSED ON FRIDAYS**, so you will need to arrange your own child care.

You will be given more information about arrival and drop off points once your application has been received and a place has been offered.

Wider reopening from June 15th

From June 15th the school will be opening more widely to the following groups of children:

- Children in Nursery who are full time
- All children in Reception
- All children in Year 1
- All children in Year 6

It is vital therefore that you now email admin@devonshirehill.haringey.sch.uk if you are requesting to send your child back to school from June 15th. You will then receive all the necessary paperwork so that the school can prepare safely for the returning children.

In the meantime if you have any questions please do not hesitate to phone or email the school.

I would like to take this opportunity to thank parents who have taken the time to email the school with such lovely supportive comments. It has been a difficult time and I really do appreciate the kindness that so many of you have shown.

All best wishes, and as always stay safe.

Yours sincerely
