

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Year 2

History: The Victorians

During early Victorian England, most children grew up unable to read or write. This is because they were sent out to work and earn money for their families instead of going to school. It wasn't until 1880 that schooling became mandatory. Can you research, design and create a 3D model of a Victorian building, revealing to us the inside of a Victorian classroom?

Science: Plants

In Science, we are learning about plants, including why seeds need to be planted at different times of the year. The flowers of a plant develop into seeds, berries and fruits. Can you create a colourful 3D fruit basket with as many different kinds of fruit by using paper mâché or clay?

Religious Education: Islam

Community and belonging are important to the beliefs of Islam. Can you create a large information poster about the significance of a mosque to the Muslim community and how a place of worship can offer a sense of belonging. Include both colour illustrations and important facts.
