

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 3
Summer 1

Please return home learning to your teacher by:

Friday 19th May 2023

Home Learning Assembly will be on: Tuesday 23rd May

Complete one or more of the following:

Year 3

Maths/Design Technology: What's in the Box?

We are classifying and comparing 2D and 3D shapes. Your challenge is to use a shape net to construct a box. Make sure that your box can open and close. Think carefully about what we'll find inside when we open it up...maybe an even smaller box? A tiny book? A miniature model? We can't wait to see your creativity!

History: The Indus Valley: Tiger, Tiger...

Archaeologists have discovered many pictures from The Indus Valley which show a man in a tree and a tiger. No one really knows what the picture represents. Your task is to write a short story to tell us the tiger's story. Maybe it could be a 'Warning Story'. Make sure that you illustrate your story with lots of terrific tigers!

Geography: Settlements - London

Did you know that London has 35 bridges over the River Thames? Can you research one of those bridges and make a poster or model to showcase your findings? You could research when the bridge was built and who designed it. Find out how wide it is and whether it has any special features such as being able to open and close. Impress us all with your amazing information!
