

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 3
Summer 2

Please return home learning to your teacher by:

Friday 7th July 2023

Home Learning Assembly will be on: Tuesday 11th July

Complete one or more of the following:

Year 3

Science: Gorgeous Gardens

In our Science lessons we'll be finding out about what plants need to help them grow strong and healthy. Remember Mr Rosen and his dilapidated front garden? Can you help by showing him how easy it is to grow a plant? You could either plant some small seeds such as cress or lettuce or a larger seed such as a bean (they grow well in jars). Make sure that you give your seed the right conditions to grow strong and healthy and write some simple instructions for Mr Rosen to use. You could also create a beautiful garden design for him too. Maybe there'll be amazing green plants, some beautiful flowers or even a pool for manatees! We can't wait to see your garden inspiration.

Geography: Super Sheep

In our Geography lessons we'll be learning about agriculture and how farmers help us. We'll find out about sheep farming in Snowdonia. Did you know that there are over 1 billion sheep in the world? Can you find out about some different sheep breeds and make an illustrated poster to show your learning. Maybe you could even create a model sheep and lambs to accompany your poster. We can't wait to find out what wonderful woolly facts you can teach us!

History: Ancient Alphabets

In our History lessons we'll be learning about Ancient Greece and Persia. You already know so much about ancient writing such as cuneiform and hieroglyphics and this term we'll be looking at the ancient Greek alphabet too. Can you find an interesting way to present this alphabet? You could make a mini illustrated book, use one of the letters in a printing block or make a folded bookmark with your name in the ancient Greek alphabet. You're amazing language experts already so we know you'll present your new learning in a clever and creative way!
