

## Home Learning Guidance

**Home Learning Passports** are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

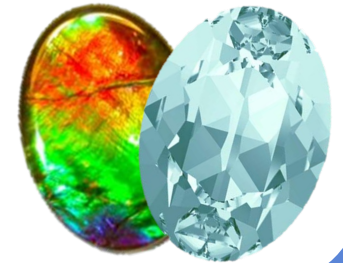

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: [homelearning@devonshirehill.haringey.sch.uk](mailto:homelearning@devonshirehill.haringey.sch.uk)  
If you do not have **internet access** please contact the Main Office to discuss support.

## Devonshire Hill Nursery & Primary School

### Home Learning Passport

Year 6  
Summer 2

Please return home learning to your teacher by:

**Friday 7th July 2023**

Home Learning Assembly will be on: Tuesday 11th July

## Complete one or more of the following:

### **DT: Design your Burger Brand!**

Design your burger brand, make it eye-catching and appealing so people decide to purchase your burgers. You can make an advert, a poster a jingle, a point of sale display. However and whatever you decide it needs to advertise your burger and show it in its best light. Calculate its nutritional value, make a vegan alternative and calculate the actual cost of the product.

### **English/History/Art/DT: Looking Back**

Create a series of works reminiscing on your time at Devonshire Hill. This could be presented in a variety of ways. Through a play, a script about a certain time at the school. You could draw and paint a picture about a certain memory you have of the school. You could write a non-fiction autobiography of your life at Devonshire Hill. However you do it, it should be solely about the school and reflect about your time here.

### **History: Ancient Egypt**

Build a model Pyramid of Djoser. Research the construction and architecture of ancient Egyptian pyramids. Using materials such as cardboard, clay, or Lego, build a model of a pyramid. Pay attention to the shape, and stepped structure of the pyramid. Include a short write-up explaining the purpose and symbolism behind pyramids in ancient Egypt.
