Curious Creatures

We are looking at lots of curious creatures on our planet! What's your favourite animal? Make a shoebox at home to show the environment your favourite animal lives in.

Earth Day

Earth day reminds us to look after our planet. Can you make a project with some top tips to help your friends and family to look after planet Earth.

Dinosaurs

Some of the curious creatures that roamed the Earth before us were the dinosaurs. We know this because of fossils they left behind. Make your own dinosaur fossil for palaeontologists to find in the future!
