Everyday materials

In art and design, we are learning about how to demonstrate feelings through colour mixing. Create a personalised artwork that reflects your feelings. Use colours to represent your emotions. For example, you could choose soft colours if you are feeling calm or bright, bold colours if you are feeling happy or excited.

Alexandra Palace

We are learning all about the history of Alexandra Palace. Can create an information leaflet about Alexandra Palace? Where is Alexandra Palace? Why was it built? Why is it still such an important place today? We can't wait to see your leaflet.

Religious Education - Judaism

In RE, we are learning about Judaism and Shabbat. Can you create an information poster to educate people about Shabbat, and how it is important for Jewish people? Remember to include pictures to make your poster eye-catching!
