

# The Devonshire Hill Times

Tel:020 8808 2053

www.devonshirehill.com

During these difficult times we would like to wish our staff, pupils and their families good health and remind you all to stay safe. We know that everyone will be doing their best with regards to home learning and hope that you will find the links on this edition informative. Please remain responsible and optimistic and remember to always persevere. Lets also reflect on some positive events of March.

## Access Learning from Home

All families should now have received access to user names and passwords for the variety of online learning platforms to which Devonshire Hill are subscribed. Our teachers are all working very hard from home to ensure that families can access current and relevant information to support home learning. Each child has their own personal login details which will allow them to sign into [Google Classroom](#). All login details required to access this valuable app and other educational learning tools have been sent home via Parentmail. Please visit the our [Home Learning Page](#) for more information or contact the school's Admin Team if you require support with accessing your home learning tools. The images below are linked to the relevant webpage to assist access.

## World Book Day

This year Devonshire Hill celebrated World Book Day with a twist. Each class came to school dressed as characters from a nominated book. There were some excellent efforts and we all got to learn about some characters that we may not have known before. Well done to everyone who took part, your love for reading really did shine. Remember books are for life, not just for World Book Day! We would also like to take this opportunity to thank everyone who visited our Usborne book fair and made a purchase. Your contribution has helped our school to claim £105.23 of books!

## New Tottenham Hotspurs Stadium

Some very lucky Devonshire Hill pupils and staff were fortunate enough to visit the shiny brand new Tottenham Hotspurs Stadium at the end of February. Their visit included exclusive behind the scenes access and a tour of the new facilities. Pupils were able to learn about the history of our local football club, experience the tunnel walk, sit on the players bench and face the Press Auditorium from Jose Mourinho's seat. What a busy and exciting time they had.

## Spring 2 Home Learning Projects

It is disappointing that the incredible projects children have been working on will not be shared in assembly for the time being. However, we would like children to take pictures of their creations and send them in so that parents, classmates and staff can still appreciate everybody's hard work and amazing creations! We are calling all pupils to send in photographs of their projects for us to celebrate in our next newsletter and on our website's newsfeed. Pupils can use their google account to send an email with their photographs attached. Please ensure that your email includes your name, class and photograph of you with your project. You can check the details of your project on your year group's [Learning Journey Map](#). Please email entries to [homelearning@devonshirehill.haringey.sch.uk](mailto:homelearning@devonshirehill.haringey.sch.uk). We can't wait to share the incredible work that has been produced. If you are yet to create a project you may have to think with extra creativity and upcycling skills! All entries should be sent in by **Monday 20th April**.

## Important Dates:

**Tues 31th Mar - Mon 20th April**  
Home Learning project pictures

**Sat 4th - Sun 19th April**  
TTRS Battle of Classes Y2 - Y6

**Mon 6th—Fri 17th April**  
Half Term Holiday (Easter Break)

## Year 5 Fashion Designers

A huge congratulations is due to both Quartz and Onyx Class for their incredible efforts towards their fashion show at the end of Work Week last month. The Year 5 pupils put together an incredible collection of outfits and accessories and were able to pitch their ideas behind their outfits with such confidence. Each team had a unique set of ideas which were clearly reflected through their well made collections. Well done to every single pupil. Whether you were a project manager, a designer, a seamstress, or a model every one of you played a valuable part in making this truly successful. Lets not forget to thank Ms Cabey and Ms Emin for supporting and encouraging our young fashion designers to **persevere**.

## Forest School Update

Since our last update there has been a lot of progress with the development of our forest school. There is now a supply of water to the field which will support the us to develop an allotment, our largest geo-dome is now proudly mounted on still-like legs to create an outdoor classroom. Work to build a traditional style round house has also begun and lots of new mature trees have been planted. Mr Pablo has applied his willow weaving skills to create living sculptures amongst the new forest school. There is still plenty to do but we can't wait to see our pupils making good use of this new environment to develop their knowledge and understanding of nature, and skills of the outdoors.

## TTRock Star

We think that our most recent TTRockstars assembly was the most exciting yet! It was a close call and a true battle of times table knowledge with both finalists neck and neck across the duration of the final round. Congratulations to our winner who was representing Year 5 Onyx Class. Don't forget that all pupils from Year 2 - Year 6 have access to TTRockstars. Devonshire Hill will be participating in our very own half term 'battle of the classes'. Simply log in and play any game on TTRockstars to earn points for your class.

### Battle of the Classes:

**Saturday 4th - Sunday 19th April**

That's two whole weeks to contribute towards your class winning the half term battle. The winning classes will be announced through the school website, google classroom and the next news letter, good luck!!

Y2 Diamond 2019/2020	0	0	Y2 Sapphire 2019/2020
