Parents & Carers

Your child's school has entered in the **November Numeracy Challenge**. This is a UK, Europe, Middle East and Asia maths challenge focused on students mastering curriculum activities and practising their mental maths skills. Prizes are awarded for top performing schools.

There is also a free Mathletics app for tablet devices that students can use to access Mathletics from anywhere. All of their activities are recorded and will be synced with their main Mathletics account.

The app is available for iPad and Android tablets.
