

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 3
Summer 1

Please return home learning to your teacher by:

Monday 23rd May 2022

Complete one or more of the following:

Year 3

English: 'Gregory Cool'

This story is set on the island of Tobago. Create your own tropical island. What trees and wildlife would there be? What fruit would you eat? Where will you sleep? Design a travel leaflet to encourage people to visit your sunny paradise or make a 3D model with as much detail as possible to show how great it is!

Science: Create a Masterpiece with Shadow and Light

Create a piece of silhouette art. This could be anything from a self portrait, or a city scene to your favourite animal. Remember silhouette art shows the outline of your chosen subject. Why not design a frame to display your masterpiece?

Geography: Climate Zones and Animal Adaptations.

Research one of the climate zones: tropical, subtropical, temperate, cold. Create a poster to show how animals have adapted to living there. Alternatively create a 3D model of your chosen animal in its climate include facts about how the animal is adapted to its environment.
