Super Stretches

In PE we'll be exploring 'Fitness'. Create a 4 step fitness routine that we could do as a warm up at the beginning of our lessons. You can draw and write about your moves and stretches or you could take some pictures of you showing us how to do each movement. If you have a favourite sports person you could research what they do for a warm up before a match or game.

Amazing Artists

This term we will develop our sketching and drawing skills. Create a pencil drawing of something that you like. Research famous sketches from history such as Paul Rubens' 'Lion' or the 'Dancer' sketch by Edgar Degas. Your drawing should be created in pencil, If you need sketching pencils please ask your teacher.

The River Rhine

In our Geography lessons we'll be studying the River Rhine. We'd like you to make a 3D model of part of the river. You could show the long, straight stretches where people go to admire the view, the busy port of Rotterdam with container ships, or maybe a model which includes the Alps mountains where the Rhine begins. We can't wait to see your wonderful River Rhine creations.
