

## Home Learning Guidance

**Home Learning Passports** are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

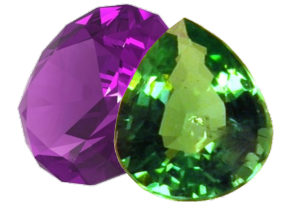

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: [homelearning@devonshirehill.haringey.sch.uk](mailto:homelearning@devonshirehill.haringey.sch.uk)  
If you do not have **internet access** please contact the Main Office to discuss support.

## Transport from the past

We are learning about the history of transport, from riding on horseback to high-speed trains! Can you make a model of a mode of transport from the past? Consider what we have learned about horse and carriages, penny-farthings and sailboats.

## The human body and senses

In science, we are learning to identify, name, draw and label parts of the human body. We are also learning about which part of the body is associated with each sense. Make a model of the human body and label the different body parts. Write some information about each body that links to one of the five senses.

## Observational drawings

In art and design we will be creating observational drawings, while learning about a variety of artists. Set up a still life (with two or more objects) on a table at home. Choose familiar objects found at home, for example a vase, a basket, a toy. Draw or paint a picture on a large sheet of paper.
