

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- You should complete **at least one activity** from this passport. An adult at home can help you.
- Completed work should be handed to your Class Teacher by the date given.
- Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Year 4

The science of sound

In science we are learning about sound. We'll find out how sounds are made and how our ears work. Design and make a musical instrument that has an interesting sound. Write a short explanation of how you made it and explain how sounds reach our ears.

Viewpoints and dreams

Our art topic is 'Viewpoints and Dreams'. We will be looking at the work of surrealist artists such as Salvador Dali. Make a piece of art work inspired by a dream. Or, you could create a dream-like, mystical landscape. Make sure that you use all of your creative talents by incorporating lots of colours and textures!

Rainbow Dragons

During our Talk for Writing lessons we will be writing our own information texts about the imaginary 'Rainbow Dragon'. Create your own Rainbow Dragon model and write a short information booklet to go with it. Or design an information poster to teach people about the diet, habitats and appearance of Rainbow Dragons.
