Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. These activities support current curriculum learning.

- *You should complete __at least one activity__ from this passport. An adult at home can help you.*

- Completed work should be handed to your Class Teacher by the date given.

- *Remember to also read your **Home/School Reading Books** and record this in your **Reading Record**.*

If you require **basic resources** such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk If you do not have **internet access** please contact the Main Office to discuss support.

Complete one or more of the following:

Desert Life

In geography we'll be learning about the Sahara Desert, the Gobi Desert & the Patagonian Desert. Create a 2D information poster or mini booklet about the wildlife and plants that call these desert biomes their home. Make sure that your booklet or poster is beautifully illustrated and includes interesting facts.

The History of Science

In our science lessons we will learn about valuable scientific discoveries through time - from the Ice Age through to modern scientific learning. Create a poster about an important scientist and their discovery. Examples include are Sir Isaac Newton, Galileo or Copernicus. If you research, you will discover just how many amazing scientists there are!

Wonderful Writers

Impress us with your writing talents and write your own story...you could use a familiar structure such as a 'Tale Of Fear' or 'Wishing Tale'. You could also combine your non fiction skills with the geography task to show us your non fiction knowledge such as how to use bullet points in your desert information project. Don't forget to use your very best joined handwriting.
