

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Competition entries** must be submitted to your Class Teacher by morning registration on the date shown in this Home Learning Passport.
- **Other completed projects** should be uploaded as a photograph to your Google Classroom.
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

homelearning@devonshirehill.haringey.sch.uk

If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 4
Autumn 1

Home learning due by:

Friday 17 October 2025

*Submit competition entries to your Class Teacher.
Upload all other projects to Google Classroom.*

Write your Google Classroom code below:

Complete one or more of the following:

Year 4

Competition Amazing Artists

This term we will develop our sketching and drawing skills. Create a pencil drawing of something that you like. Research famous sketches from history such as Paul Rubens' 'Lion' or the 'Dancer' sketch by Edgar Degas. Your drawing should be created in pencil. If you need sketching pencils please ask your teacher.

Super Stretches

In PE we'll be exploring 'Fitness'. Create a 4 step fitness routine that we could do as a warm up at the beginning of our lessons. You can draw and write about your moves and stretches or you could take some pictures of you showing us how to do each movement. If you have a favourite sportsperson you could research what they do for a warm up before a match or game. Remember to upload a photograph of your finished project to Google Classroom.

The River Rhine

In Geography we will learn about the River Rhine. Make a 3D model showing part of the river. You could make the long, straight stretches where people go to admire the view, the busy port of Rotterdam with container ships, or include the Alps mountains where the Rhine begins. Remember to upload a photograph of your finished project to Google Classroom.
