

# Home Learning Guidance

**Home Learning Passports** are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Competition entries** must be submitted to your Class Teacher by morning registration on the date shown in this Home Learning Passport.
- **Completed projects** should be uploaded as a photograph to your [Google Classroom](#).
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: [homelearning@devonshirehill.haringey.sch.uk](mailto:homelearning@devonshirehill.haringey.sch.uk)

If you do not have **internet access** please contact the Main Office to discuss support.

## Devonshire Hill Nursery & Primary School

### Home Learning Passport

Year 4  
Spring 1

Home learning due by:

**Friday 6 February**

*Upload projects to Google Classroom.*

Google Classroom code:

q227qpd5

# Complete one or more of the following:

Year 4

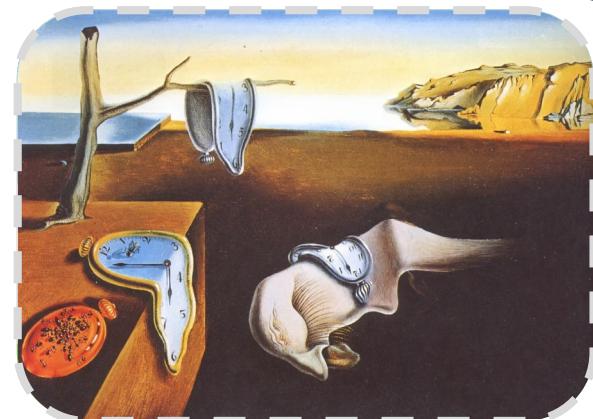

## **The Science of Sound**

In our science lessons we are learning about sound including how sounds are made and how our ears work. Design and make a musical instrument that has an interesting sound. You could also write a short explanation of how you made it as well as explaining how the sound reaches our ears.

## **Super Surrealists**

In Art and Design we will learn about 'viewpoints and dreams'. We will look at the work of surrealist artists such as Salvador Dali. Make a piece of art inspired by a dream. Or create a dream-like, mystical landscape. Make sure that you use all of your creative talents by incorporating lots of colours and textures.

## **Incredible Information**

During our Talk for Writing lessons we will write our own information texts about the imaginary rainbow dragon. Create your own model of a rainbow dragon and write a short information booklet to go with it. Alternatively, design an information poster to teach people about the diet, habitats and appearance of Rainbow Dragons.
