

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Completed projects** should be uploaded as a photograph to your Google Classroom.
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

homelearning@devonshirehill.haringey.sch.uk

If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 2
Spring 2

Home learning due by:

Friday 20 March

Upload projects to Google Classroom.

Google Classroom code:

iflh fjpl

Complete one or more of the following:

Seven Continents

We are learning about the seven continents using world maps, atlases and globes. Create a 3D globe. Locate, name and identify the seven continents of the world and the surrounding seas. You could represent the oceans and continents over the surface of the globe with different colours.

Length and Height

We are learning length and height in our maths lessons. Explore the length and height of different objects around your house. Use a ruler or measuring tape and measure, record and draw different objects. Write the measurements next to each drawing.

Animals Including Humans

In Science we are learning about food chains. Create your own food chain which outlines the importance of each part of the food chain.
