

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Completed projects** should be uploaded as a photograph to your [Google Classroom](#).
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Complete one or more of the following:

Maths

Create your very own mini-theme park on a grid. Survey your 'customers' (family and friends) to see which attractions are the most popular (eg. rollercoaster, giant water slide, ferris wheel, or bumper cars), use a tally chart and a pictogram to present the results, and then create a map for your visitors.

Design and Technology

In D&T we will be designing different types of food products. Design a package of your favourite cookies or a poster advertising a balanced healthy pizza.

Geography

You are a local explorer, examine an aerial photograph of your local area, this could be your street, neighbourhood, or a nearby park. Create a hand-drawn map with a compass, and write a "Secret Journey" with clues using compass points to lead a fellow explorer right to "X marks the spot."
