

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Competition entries** must be submitted to your Class Teacher by morning registration on the date shown in this Home Learning Passport.
- **Other completed projects** should be uploaded as a photograph to your Google Classroom.
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

homelearning@devonshirehill.haringey.sch.uk

If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 3
Autumn 1

Home learning due by:

Friday 16 October 2026

*Submit competition entries to your Class Teacher.
Upload all other projects to Google Classroom.*

Write your Google Classroom code below:

Complete one or more of the following:

Year 3

Competition: Egyptian Art

Make your own Egyptian pyramid, using cardboard. It can be an early stepped pyramid to teach that there were different types of pyramid in Ancient Egypt.

Amazing numbers!

Design a poster to show as many amazing number facts as you can. You could search for some world records... what is the height of the tallest dog? How many languages are spoken in the world? Remember to record your number facts neatly and illustrate your poster in a colourful and exciting way. Remember to upload a photograph of your finished project to Google Classroom.

Plants

Our unit this term in Science is all about plants... grow your own cress seeds or other easy to grow plants at home. Create a growth diary detailing how they have grown. How long did it take for the seeds to germinate? Remember to upload a photograph of your finished project to Google Classroom.
