

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Competition entries** must be submitted to your Class Teacher by morning registration on the date shown in this Home Learning Passport.
- **Other completed projects** should be uploaded as a photograph to your Google Classroom.
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

homelearning@devonshirehill.haringey.sch.uk

If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 5
Autumn 1

Home learning due by:

Friday 16 October 2026

*Submit competition entries to your Class Teacher.
Upload all other projects to Google Classroom.*

Write your Google Classroom code below:

Complete one or more of the following:

Year 5

Competition: The Round City of Baghdad

Create a drawing or painting or a 3-D model of the round city of Baghdad. Alongside the model of the city write some information about the great city of Baghdad. This should be about its formation, who was the main architect and why it was positioned at that place.

Why is California so thirsty?

Make a 3D model of the state of California. Show the topography, scale and where water is mainly found. Remember to upload a photograph of your finished project to Google Classroom.

Electricity

Which materials conduct electricity? Make a circuit that can be used to test to see whether materials are conductors or insulators. Remember to upload a photograph of your finished project to Google Classroom.
