

Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- **At least one activity** from this passport should be completed by the due date on the front page. An adult at home can help you.
- **Competition entries** must be submitted to your Class Teacher by morning registration on the date shown in this Home Learning Passport.
- **Other completed projects** should be uploaded as a photograph to your Google Classroom.
- **Remember to also read** your Home/School Reading Books and record your reading sessions in your Reading Record.

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing:

homelearning@devonshirehill.haringey.sch.uk

If you do not have **internet access** please contact the Main Office to discuss support.

Devonshire Hill Nursery & Primary School

Home Learning Passport

Year 6
Autumn 1

Home learning due by:

Friday 16 October 2026

*Submit competition entries to your Class Teacher.
Upload all other projects to Google Classroom.*

Write your Google Classroom code below:

Complete one or more of the following:

Year 6

Competition Amazing Amazon

Create a 3D model of an animal whose habitat is the Amazon Rainforest. Include some brief notes to explain the animal's diet and how they have adapted to a rainforest habitat. Remember to upload a photograph of your finished project to Google Classroom.

Healthy Humans

It is really important that we keep our bodies and hearts healthy to live a long and happy life! Create a poster on the different ways people can stay healthy. You may want to include information on: diet, sleep and the importance of exercise. Use lots of colour and images. Remember to upload a photograph of your finished project to Google Classroom.

Keeping Fit

Create a warm up or cool down routine that your class could incorporate into their PE lesson. You could combine this with the science home learning to add information about how to stay healthy. Remember to upload a photograph of your finished project to Google Classroom.
