Home Learning Guidance

Home Learning Passports are given at the start of each half term. This passport contains activities for you to complete with your family at home. All activities support current curriculum learning.

- ***At least one activity*** *from this passport should be completed by the due date on the front page. An adult at home can help you.*
- **Completed projects** should be uploaded as a photograph to your Google Classroom.
- ***Remember to also read*** *your Home/School Reading Books and record your reading sessions in your Reading Record.*

If you require basic resources such as paper, pens, pencils to support with fulfilling your project please make your request by emailing: homelearning@devonshirehill.haringey.sch.uk
If you do not have **internet access** please contact the Main Office to discuss support.

Year 3

Multiplications

We will be learning multiplication and division in maths this term. Can you make a poster about your timetables up to 12 x 12 or a creative piece of work to help you practise and memorise your timetables?

Mountains

Make a mountain and label all the different parts.
Show different facts about mountains.

Animation

Create a simple flipbook or stop-frame animation using paper, toys, LEGO, or objects you have at home. Think about how moving an object a tiny amount each time creates the illusion of movement.
